EXPERIENCE

Project Manager / Solution Strategist

BiNW of Alaska / Anchorage, Alaska / 2006-2021

I brought over 20 years of industry experience to bear on the work I was involved with, having managed a variety of commercial, government and healthcare projects. I have successfully prepared, implemented, reported on and closed out a wide variety of large-scale healthcare and commercial projects in both renovated and newly constructed facilities. Throughout my career, I have been responsible for managing and/or implementing all aspects of projects to completion. This includes schedule and coordination of a variety of services with clients, installers, designers, logistic professionals and account executives. I have been responsible for consistent timely and successful project completion.
